

Words of Encouragement

Message from Hon'ble Chief Minister—Rajasthan,

Smt. Vasundhara Raje Sindhia

CHIEF MINISTER
RAJASTHAN

17 MAY 2006

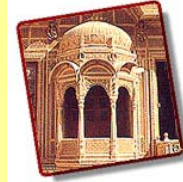

Message

I am happy to note that International Rajasthani Association (I-RAJA), Saudi Arabia is going to celebrate its first inauguration day on May 19, 2006 and a directory is being published to commemorate the event.

The Rajasthanis, wherever they are settled have well established themselves and have kept the culture, traditions and distinctiveness of Rajasthan alive even in the foreign land. The State Government is also very keen to revive the association of the overseas Rajasthanis living in different parts of the world, with the soil of Rajasthan and is working in this direction.

I wish this venture a grand success.

MESSAGE

I am extremely pleased to know that Non Resident Indians of Rajasthani origin in Saudi Arabia are celebrating the inauguration of their newly formed Association I-RAJA on 19th May, 2006.

I am also happy to note that a souvenir is being published to commemorate the occasion. I hope that the I-RAJA would help Non Resident Rajasthanis residing in Saudi Arabia to cement the bond with their mother land and encourage them to take various social development works in Rajasthan particularly in the rural areas.

I wish this endeavour a grand success.
